

7/4/99

Greetings & Salutations:

7827 '99 JUL 12 A10:29

As an Senior American, who believes in government of the people and by the people, I would like to express my opinion, that includes not myself alone but millions of other Americans. This desire, is that the Alternative/Natural supplement Industry, be an intregal part of any testing process or labeling decision by the F.D.A, and not just a voice to be heard at a preliminary public meeting and discarded afterwards

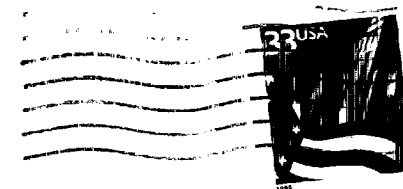

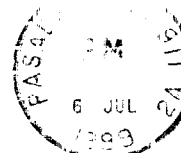

Sincerely

Leonard Mullins
